PROFILE

A dedicated Web Developer focused on creating intuitive, engaging, and scalable web applications. I am committed to writing clean, efficient code and collaborating effectively to deliver high-quality, end-to-end solutions that meet and exceed client expectations, ensuring a seamless and satisfying user journey.

EMPLOYMENT HISTORY

Data Encoder, Mookoob   Addis Ababa

Oct 2020 - Apr 2021

- Accurately entered and processed data into company systems, ensuring data integrity through regular quality checks.
- Maintained organized records and updated existing data as needed.
- Collaborated with team members to optimize data entry processes.
- Demonstrated strong attention to detail and a commitment to accuracy.
- Developed problem-solving skills by identifying and correcting data errors.

Frontend Developer , Sukify   Addis Ababa

Sep 2024 - Feb 2025

- Develop responsive web components using modern technologies such as Next.js, TailwindCss, and TypeScript.
- Build scalable applications with Next.js, focusing on maintainability and performance.
- Integrate GraphQL for efficient and flexible data management.
- Optimize site performance to enhance user engagement and experience.
- Collaborate closely with designers and backend developers to ensure seamless integration and functionality across the platform.
- Deliver exceptional user experiences while maintaining high-quality code standards.

EDUCATION   Addis Ababa

Bachelor's degree, Unity University

Oct 2019 - Present
